### **\*\*REP. TOM EMMER:**

**\*\*** Mr. Speaker, I rise today to honor CentraCare Health's Director of Community and Government Relations, David Borgard. His approaching retirement will mark the end of his 21-year career with CentraCare Health. As a testament to David's hard work, CentraCare has thrived under his leadership. Whether it was securing grants and donations, educating his community on the intricacies of state, federal, and community issues, or finding new ways to provide quality care, David has set the standard in the state of Minnesota. This is why the Minnesota Hospital Association took notice and awarded David with the Spirit of Advocacy Award for his tireless efforts to inform the central Minnesota community about health care reform. Under David's strong leadership, CentraCare Health has consistently been recognized for its outstanding work. David Borgard is a beloved and cherished member of our community because of his dedication to providing quality health care. His service to our community will be missed, and we thank him for his years of commitment. We look forward to seeing him in his well-deserved retirement.
