

Rep. Tom Emmer on LEADERSHIP PRESS CONFERENCE – 2025

PRESS CONFERENCE

Broadcast: June 24, 2025 • Duration: 1:27

****REP. TOM EMMER:**

** The One Big Beautiful Bill is a once-in-a-generation opportunity to deliver real-life results to the American people, as you just heard from Sam. From energy producers in Louisiana to police officers in Minnesota, this landmark legislation truly holds promise for every single American. Today's guests are a testament to that. I'm proud to welcome James Stewart to speak this morning on the impact of the One Big Beautiful Bill that it will have on law enforcement officers in Minnesota and across America. With more than 30 years of frontline experience, Sheriff Stewart is here today on behalf of the Minnesota Sheriffs Association to represent the men and women who sacrifice their safety, comfort and time to keep us all safe. Some even make the ultimate sacrifice with their lives. President Trump and House Republicans stand with our nation's brave law enforcement officers. The One Big Beautiful Bill makes clear that we don't just do so with words, but with our actions. President Trump campaigned on no tax on overtime. And now we're following through on that promise. To the benefit of our men and women in blue, by the way, and their families. And I thank the President for his vision of a prosperous America that truly appreciates and honors the bravest among us. With that, I'll turn it over to Sheriff Stewart from Minnesota's 6th Congressional District.
