

Rep. Tom Emmer on Emmer Recognizes Rabbi Hershel Lutch

Broadcast: June 23, 2017 • Duration: 1:10

****REP. TOM EMMER:**

** Mr. Speaker, I rise to recognize my friend, Rabbi Herschel Lutch, and to thank him for reading the opening prayer here on the House floor today. Rabbi Lutch has devoted his life to working for the Jewish community in the United States and around the globe. I met Rabbi Lutch on a trip to Israel that he and his organization, Asiatora, helped to coordinate. That special trip showed me firsthand how our ally in Israel fights to survive and thrive every day. In addition to his work for Asiatora, Rabbi Lutch is the CEO of the Me'or Foundation, an organization that strives to inspire Jewish students on college campuses to learn more about their history and heritage. In his personal life, Rabbi Lutch is a husband and a father and a son. He is an asset to his community and our country, and I am pleased we could hear from him on the floor today. Thank you, Rabbi, for blessing us here today and for your continued dedication to the Jewish people and to people of all faiths. It's an honor to know you. I yield back.
