### **\*\*HOST:**

**\*\*** Mr. Speaker, I rise today to celebrate Delano Elementary School in my district for being recognized as a reward school for the fourth time in the past five years. In order to be categorized as a reward school, the school must be in the top 15% of the highest performing schools in the state. Delano Elementary School's updated curriculum, improved physical education program, and new music classes are the best. A good education open all of life's doors and I would like to thank Delano Elementary School for giving Minnesota students the key. Your dedication to our children deserves recognition and I'm proud to congratulate your work here today. Mr. Speaker, I yield back. Note: This appears to be Rep. Tom Emmer giving a floor speech in Congress rather than participating in a TV/radio interview. There is no interviewer present in this transcript - it's a single speaker addressing the House of Representatives.
