Broadcast: May 26, 2016 • Duration: 0:52

****REP. TOM EMMER:**

** Mr. Speaker, I rise today to thank Senator John Peterson for his dedicated service to the St. Cloud area residents over the past six years. John Peterson was born and raised in Minnesota's 6th Congressional District and first served on the St. Cloud City Council in 2007. After four years on the City Council, John ran and won a seat in the Minnesota State Senate. Throughout his time in the Minnesota Legislature, Senator Peterson has shown his expertise in a variety of issue areas, but none more than transportation. Like me, Senator Peterson understands that an intense focus on transportation in Minnesota's 6th is crucial to relieve congestion, improve safety, increase mobility, and foster economic development in our state. John, thank you for your time serving the people of our great state.
