

Rep. Tom Emmer on His August District Work Period

Broadcast: July 14, 2016 • Duration: 2:11

****REP. TOM EMMER:**

** Hi everyone, Tom Emmer here, getting ready to head to Minnesota for the next six weeks. As we go into what some people call the August recess, but it's actually the August district work period, I want you to know what we're going to be up to. One of the big things we'll be doing is I'm going to hold three more town halls. My role as a member of Congress is to listen and to serve the fine people of Minnesota's 6th District. That's all of you. That's why I place such a high importance on town halls. Besides, I just like them. There's no better way to hear from you. To hear the questions and concerns that you have and to understand what's most important to you, the people that I work for. Last year we held 14 town halls, including at least one in each of the seven counties in our district. So far we've done two this year, with the rest yet to come. The first town hall in August will be held in Washington County at the Hugo City Hall on Thursday, August 4th at 6.30pm. The second will be in Benton County at the Foley City Hall. This one will be on Thursday, August 11th, also beginning at 6.30pm. We'll be announcing the details of our third town hall during this work period in just a few short weeks, so be sure to visit [emmer.house.gov slash town halls](http://emmer.house.gov/slash/town-halls) for details on these and future events. A large portion of the month will be spent traveling throughout the district holding meetings with Minnesotans from all industries and from all walks of life. I'll even be heading down to Farm Fest, where you might even find me flipping some pork chops on the grill. And of course, no August is complete without a stop or two or three or four at the Great Minnesota Get Together. It's going to be a busy month, but I hope to see you at some point and as always, if you ever have any questions or concerns, please don't hesitate to reach out to one of our offices. You can find the contact information at emmer.house.gov. Thanks and have a great August.
