### **\*\*REP. TOM EMMER:**

\*\* Mr. Speaker, I rise today to congratulate a student in my district for an incredible academic achievement. Tyler Robinson of Andover, Minnesota received a perfect score on his ACT this year, making him no doubt a valuable candidate for most colleges and universities across this country. To give an idea on how extraordinary this achievement is, only 0.1 percent of all individuals who take the ACT receive a perfect score. Tyler is going into his senior year at Andover High School. He hopes to attend either Drake University or the University of Minnesota in the Twin Cities with a goal of pursuing a career as a pharmacist. We wish Tyler the best of luck on his senior year in high school, and we're excited to see what this scholar will accomplish in the future. Congratulations again, Tyler. We are all so proud of you. I yield back.
