

Rep. Tom Emmer on Emmer Recognizes KoriAnn Carter and Girls On Arise To Succeed

Broadcast: November 13, 2019 • Duration: 1:32

****REP. TOM EMMER:**

** Mr. Speaker, I rise today to recognize community resource navigator Corianne Carter and the United Way of Central Minnesota for working together on a pilot program to assist students and families at Lincoln Elementary School with food and housing assistance, mentoring, and after-school programs. In addition, I want to recognize the work Corianne does through a program called Girls on a Rise to Succeed in partnership with the Roosevelt Boys and Girls Club, McKinley Area Learning Center, and CentraCare, which brings young girls together to discuss important life topics and provide guidance. For young women encountering family issues, experiencing homelessness, or struggling with mental health issues, this group gives them a space to talk to adults that care. Girls between 12 and 18 can participate in one of the girls' groups where they learn lessons and healthy habits, the importance of education, and how your current actions impact your future choices, leadership skills, goal-setting, and gratitude. These groups have transformed students throughout the St. Cloud area, giving them an avenue to succeed as well as find community and fellowship. Thank you, Corianne, and all the partners who make this possible. Your work to foster the next generation of leaders makes our corner of the world a better place.
