Broadcast: July 21, 2017 • Duration: 1:05

****REP. TOM EMMER:**

** Mr. Speaker, I rise today to celebrate the St. Cloud Federal Credit Union for being named one of the top 150 workplaces in Minnesota by the Minneapolis Star-Tribune. The companies selected were based off of a survey done by Workplace Dynamics, which measured the employees' opinions on engagement, organizational health, and overall satisfaction at their company. This is a wonderful achievement for the St. Cloud Federal Credit Union, as Workplace Dynamics surveyed nearly 70,000 employees throughout Minnesota to come up with these results. For every company, no matter how big or small, the employees are the key to securing success. The hard work they put in every day is critical, so it is imperative that management ensures they feel both valued and respected. I want to congratulate everyone at the St. Cloud Federal Credit Union on their incredible teamwork, and I especially want to congratulate management for creating a great workplace for their employees. Your company and employees will continue to thrive due to your leadership. Keep up the good work. I yield back.
