

Rep. Tom Emmer on Rep. Emmer Visits Farmfest 2022

Broadcast: August 09, 2022 • Duration: 0:31

****REP. TOM EMMER:**

** Hey, this is Tom Emmer, representing Minnesota's 6th Congressional District, one of the greatest events in Minnesota. It's the annual Farm Fest extravaganza. Ag is not just important in Minnesota, it's one of the two primary drivers of this state's private economy. Our ag families, and everybody who's associated in the business, not only drive Minnesota, but they drive the United States of America. In many cases, they feed the world. I'm Tom Emmer. Note: This transcript appears to be a monologue or prepared statement from Rep. Emmer rather than a back-and-forth interview format. No host or interviewer dialogue is present in the provided text.
