

Rep. Tom Emmer on Emmer Recognizes Capitol One

Broadcast: May 11, 2018 • Duration: 0:52

****REP. TOM EMMER:**

** Mr. Speaker, I rise today to recognize Capital One, its executive team, and its employees for their generosity and commitment to our local communities. Since 2012, Capital One has generously donated over \$80,000 to the Boys and Girls Club of Central Minnesota to support the mission of enabling young people to reach their full potential. In particular, a Capital One grant to fund Project LEARN helps advance the goal of equipping our kids with coding skills to meet the needs of the future. Capital One recognizes the importance of STEM and tech-related skills to the future of our nation, and I thank them for investing in our nation's future leaders. Thank you, Capital One, for your commitment to the young people of Central Minnesota. We are grateful for your team and our community. *Note: This appears to be a congressional floor speech rather than an interview, as evidenced by the formal "Mr. Speaker" address and the uninterrupted nature of the remarks.*
