

Rep. Tom Emmer on Weekly Video Update: Israel

Broadcast: February 27, 2015 • Duration: 1:09

****REP. TOM EMMER:**

** Thank you to everyone who wrote in their questions for these weekly video addresses as well. Jamie from St. Michael and Matt from Collegeville wanted to know if I plan on attending the upcoming address by Israeli Prime Minister Benjamin Netanyahu. Yes I do. Foreign leaders and dignitaries addressing Congress is nothing new. Representatives from nations from nearly every continent have come before Congress. While we represent individual districts, our votes and our policies have a global impact. It's important to keep our minds and ears open to other perspectives and we should attend. Not just as a matter of respect, but in light of the situation in the Middle East. I think it's important to hear from one of our closest allies in the region. If you have a question for me or you want to see other videos like these, please visit emmer.house.gov/ask/Tom. Thank you and I look forward to hearing from you soon. Have a great day.
