Broadcast: February 03, 2017 • Duration: 1:10

****REP. TOM EMMER:**

** Mr. Speaker, I rise today to celebrate one of the great leaders in Minnesota. Stanley S. Hubbard, the President and Chairman of Hubbard Broadcasting, has been awarded the First Amendment Leadership Award from the Radio-Television-Digital News Foundation. Hubbard Broadcasting owns several media outlets, including KSTP, a local news affiliate in the great state of Minnesota. Stan Hubbard is well known in his industry. In fact, he has already been inducted into the Broadcast and Cable Hall of Fame, and he has received the Distinguished Service Award from the National Association of Broadcasters. The First Amendment Leadership Award is presented annually to a business or government leader who has made a significant contribution to the protection of the First Amendment and the freedom of the press. This award was made for someone like Stan Hubbard. Stan Hubbard of Hubbard Broadcasting has spent his entire career in the media, protecting and promoting free speech and a free and accountable press. Congratulations to you, Stan, and to the entire Hubbard Broadcasting family. You deserve this award because you earn it every day. I yield back.

Note: This appears to be a House floor speech rather than an interview transcript, as evidenced by the formal congressional language and structure.
