### **\*\*REP. TOM EMMER:**

\*\* Mr. Speaker, it is with great pride that I rise today to celebrate Carver County, located in Minnesota's 6th Congressional District, for being named the healthiest county in Minnesota. This is the fourth consecutive year that Carver County has received this impressive ranking. These rankings are completed by the County Health Rankings and Roadmaps Program and are based on multiple factors, including health, social and economic factors, as well as clinical care, physical environment, and quality of life. We are incredibly proud of the people, businesses, and health care providers in Carver County for working to ensure that everyone in our community has the ability to lead a healthy life, for encouraging our many local leaders to implement change, and for constantly striving to influence health in a positive way. It is because of the residents' hard work and determination that Carver County is the wonderful community that it is today, and for that, we all say thank you. I yield back.
