### **\*\*HOST (BILL):**

\*\* Congressman from Minnesota who's been quite critical so far and sir, thank you for your time I heard you on the air an interview the other day I want you to listen to your governor Tim Walz respond to the allege He says it's no coincidence that the buzzards are circling in his state watch here My message is simple in this you commit fraud in Minnesota. You're going to prison I don't care what color you are what religion you are Anybody who wants to help us in that we welcome that but setting on the sidelines and and throwing out Accusations and let's be very clear Demonizing an entire population and lying to people about the safety and security of this state Is beneath that that was his comment yesterday with your comment today, sir.

### **\*\*REP. TOM EMMER:**

\*\* Well calling out Criminal activity bill is not racist and it's not it's not unfair Look, this guy is pathetic. He is incompetent. He's a pathological Sociopathic liar he lies about everything got caught on national TV bill Lying about something as dumb as when he was at Tiananmen Square and his response to that back Then was you know, I grew up in a small town. Sometimes I'm a bit of a knucklehead Look, I my hat is off to President Donald J Trump we have been trying to sound the alarm on this fraud that has been going on since the beginning of the walls Administration for more than three years and it wasn't until Donald Trump Sent his truth out a couple weeks ago that everybody started paying attention. You have correctly pointed out It's already more than a billion dollars that these fraudsters stole from Minnesota taxpayers Under Tim wall's watch and the number is growing It's not just the 250 million dollar fraud case the largest pandemic fraud case in the country. That's feeding our future It's Medicaid housing fraud you go back it's it's autism centers. It's a The list goes on and on daycare fraud But let's just look at the housing one the housing Medicaid housing program was created back in 2020 They estimated it was gonna cost annually about two million dollars. You know what over it from 2020 to 2024 It was a hundred million dollars and they shut the program down in October of 2025 Because from the beginning of the year they'd already sucked out 61 million dollars and this idea that it's not going to al-shabab. They're sending the money back to Somalia bill People should understand it al-shabab controls the financial infrastructure in Somalia It is going back to Somalia where al-shabab the terrorist organization is in charge

### **\*\*HOST (BILL):**

\*\* Okay, so at the moment, I just want to read this from a federal prosecutor. His name is Joe Thompson I don't know if you know him or not.

### **\*\*REP. TOM EMMER:**

\*\* I do.

### **\*\*HOST (BILL):**

\*\* All right, so he made this comment at the end of July All right, this fraud crisis didn't come out of nowhere It's the result of widespread failure across nearly every level of leadership in, Minnesota Politicians who turned a blind eye agencies that failed to act prosecutors and law enforcement who didn't push hard enough This isn't just a few criminals exploiting the system. This is a system that's been begging to be exploited So amen Joe Thompson also said the level of fraud that he has found in just his investigation is It takes your breath away. Here's here's the big issue. I what I want to know as a Minnesotan you've got a billion dollars that went out under the the Walls administration

**\*\*REP. TOM EMMER:**

\*\* By the way, he went on national TV saying I take response Responsibility for prosecuting fraudsters Tim Walls has done nothing Tim Walls has not held one person in his administration Accountable for a billion dollars of fraud and my question now is this isn't just negligent incompetence bill Somebody is complicit in this and if if the governor there there are whistleblowers Alleged whistleblowers out there that are claiming that they let the governor know and that he not only Ignored them he I actually Retaliated against them if that's true Bill there probably should be an investigation into criminal charges This governor and the Attorney General. This is it stinks to high heaven

**\*\*HOST (BILL):**

\*\* All right, he just thinks the government's picking on him, but we'll see where it goes billion dollars Sounds like it's a lot more than just picking. I'll sir. Thank you for coming on It is your home state in the spotlight and we'll follow it Tom Emmer. Thank you.

**\*\*REP. TOM EMMER:**

\*\* Thanks for reporting it
