****REP. TOM EMMER:**

** Mr. Speaker, I rise today to recognize Preferred Credit, Inc. of St. Cloud for winning a Torch Award for Ethics from the Minnesota Better Business Bureau. The Preferred Credit was established in St. Cloud in 1982 and quickly realized their goal of becoming one of the preferred finance companies for the direct sales industry throughout the United States. This outstanding Minnesota company accomplished this goal by giving their clients the best possible customer service and building strong personal relationships. The way Preferred Credit achieved success is evidence of how deserving they are of this award. The Torch Awards are meant to recognize companies that go above and beyond for their customers, employees, vendors, and their community. I would like to congratulate Preferred Credit, Inc. for receiving this prestigious award and for representing what Minnesota is all about. Thank you for everything you have contributed to the St. Cloud community and to the great state of Minnesota. We would not be where we are today without great businesses like yours.
