

Rep. Tom Emmer on Promises Made, Promises Kept.

Broadcast: April 29, 2025 • Duration: 2:47

****NARRATOR/HOST:**

** The time for Joe Biden's failed policies is over. The time for President Trump's proven leadership is right now. America's decline is over. With the stroke of a pen, President Trump moving swiftly and aggressively to make good on his campaign promises. First 100 days, President Trump signing the Lincoln-Riley Act into law. Teacher Mark Fogle is free this morning after three and a half years in Russian detention.

****PRESIDENT TRUMP:**

** The Trump administration, we will defend the proud tradition of female athletes and we will not allow men to beat up, injure and cheat our women and our girls. From now on, women's sports will be only for women. Since taking office, my administration has launched the most sweeping border and immigration crackdown in American history. And we quickly achieved the lowest numbers of illegal border crossers ever recorded. Thank you. The media and our friends in the Democrat Party kept saying we needed new legislation. We must have legislation to secure the border. But it turned out that all we really needed was a new president. Welcome to the first ever White House Digital Asset Summit. Last year, I promised to make America the Bitcoin superpower of the world and we're taking historic action. No one in this room could have envisioned this just a couple of years ago. We're going to be returning education very simply back to the states where it belongs.

****VARIOUS SPEAKERS/CROWD:**

** I'm here and I'm alive. President Trump, you saved my life. We knew we need someone who do the things. That's President Trump. We are here because of President Trump. Thank you.

****REP. TOM EMMER:**

** I do say Donald Trump is a master negotiator. I mean, there is no other leader on the world stage that has his experience and has shown what he has shown in his first term, what he's willing to do and what he can get accomplished. If anybody can help these people get together and bring peace back to the region, it's Donald J. Trump. We have \$7 trillion of investment already. You can go back many years and for a whole year, they haven't had anywhere near that. Mostly, they'd be well under a trillion dollars of investment.
