Fox News Channel

Broadcast: January 06, 2026 • Location: WASHINGTON, D.C. • Duration: 1:57

HOST (SEAN):

Majority Web Tom Emmer is with us now with more. The thing is he was warned about it. Whistleblowers told him he did nothing. Why?

REP. TOM EMMER:

Well, I listen Sean, thanks for having me and thanks for reporting on this. Tim Walz is a buffoon and he needs to stop being a coward and start taking accountability. Sean, \$9 billion is the estimate from the US attorney's office that has been built out of the Walz administration over the last 7 years. \$9 billion right under his nose. Tim Walz was there the entire time. You ask why? Well, whistleblowers have come forward and whistleblowers are saying that they not only told Tim Walz about the fraud while it was happening, Sean, and he ignored them, he retaliated against him. Listen, if that's true, he should not only resign, he should leave the office in handcuffs.

HOST (SEAN):

Okay. Now, do we have the evidence? And do you believe that these people knowingly broke the law?
