### **\*\*REP. TOM EMMER:**

\*\* Mr. Speaker, I rise today to recognize and thank Stearns County Human Services Administrator Mark Sizer for his dedicated service to our community. After 40 years of public service and 23 years dedicated to Stearns County, Mark is heading into retirement. Since he was appointed to the Human Services Administrator position in 2011, Mark has dedicated himself to the many programs and employees in his department and to the cities of Stearns County. Under Mark's leadership, Stearns County has offered some of the best services and programs in Minnesota. Stearns County is one of the largest and most densely populated counties in Minnesota's 6th Congressional District, and we're fortunate to have had such a dedicated public servant and strong leadership at the helm of this incredibly important department. Thank you for your service, Mark. I wish you a happy and relaxing retirement with those you love. You certainly deserve it.
