### **REP. TOM EMMER:**

Mr. Speaker, I rise today to praise the strength and resolve of Forest Lake Patrol Officer Troy Meyer for not only overcoming adversity over the past three years, but for his amazing perseverance. Troy has escaped death not just once, not twice, but three times by overcoming a severe brain infection, a lung infection, and a double lung transplant a year later. He also had surgery to repair a hole in his heart just six months after that. Despite his challenges, Troy always moved ahead, determined to live life to the fullest and to help as many people as possible. He has done that by returning to his job on the police force only 13 months after his third surgery. Officer Meyer is a symbol of the resiliency of the human spirit. We are so thankful that he has made a full and miraculous recovery. Forest Lake, the police department, and the state of Minnesota are fortunate to have an individual like Troy Meyer in our community.
