### **REP. TOM EMMER:**

Mr. Speaker, I rise today to celebrate the St. Cloud State University wrestling team for winning this year's NCAA Division II National Championship. The young men on this team strive every year for excellence, and for the third time in the last four years, it paid off. But this year was special. For the first time in Husky history, the team also clinched four titles in one season. The Northern Sun Intercollegiate Conference title, the national duels, and regional and national tournament titles were all achieved. The perseverance and success of our Husky wrestlers reminds us all that when you commit to excellence and you work hard, the results will follow. Congratulations to the outstanding student-athlete wrestlers of the St. Cloud State wrestling team for your remarkable achievement and another memorable season.
