### **\*\*REP. TOM EMMER:**

\*\* Thank you, Mr. Speaker. I rise today to honor Sauk Rapids Citizen of the Year, Jody Spiker. The Sauk Rapids Chamber started this award in 1986 to recognize individuals who have influenced the community for the better. Jody, a resident of Sauk Rapids for the past 15 years, is known for her many contributions to this wonderful community. Whether she is striving for economic prosperity by working with the Sauk Rapids Chamber of Commerce, fighting to end disease through her work with the Alzheimer's Association and the Walk to End Alzheimer's, helping to put on St. Cloud's Senior Expo, or advocating for our children by serving on the Community Education Board for the Sauk Rapids Rice School District, Jody is always putting her community first. It takes a very special person to dedicate so much of their time to helping and supporting others, and I'm proud to recognize that kind of accomplishment here today. Jody, thank you for all you do for our community. You are truly deserving of this award. Keep up the great work.
