

Rep. Tom Emmer on Emmer Celebrates Anoka Ramsey Community College

Broadcast: September 23, 2016 • Duration: 1:01

****REP. TOM EMMER:**

** Mr. Speaker, I rise today to celebrate Minnesota's very own Anoka-Ramsey Community College, which has recently been named one of the top ten community colleges in the United States. This placement has made Anoka-Ramsey Community College a contender for the 2017 Aspen Prize for Community College Excellence. It is no surprise to me that Anoka-Ramsey, the sole Minnesota contender to be recognized, has been chosen for this prestigious award given their stellar reputation throughout our community. This fine higher learning institution is well-known for affordable tuition, a high success rate of students who graduate, as well as high achievement rates for students of every ethnicity and background. A good education can open doors in life. Thank you, Anoka-Ramsey, for handing our students the key. Good luck in the competition, and congratulations on your success. *Note: This appears to be a congressional floor speech rather than an interview, as evidenced by the formal address to "Mr. Speaker" and the ceremonial nature of the remarks.*
