### **\*\*REP. TOM EMMER:**

\*\* Mr. Speaker, I rise today in recognition of Angie Charbonneau Fulch, Assistant Principal at Big Lake High School. In April, Angie was named this year's Minnesota Assistant Principal of the Year by the Central Minnesota Association of Secondary School Principals. She receives this honor after 15 years of service as a school administrator, including a decade at Big Lake. Angie has been a longtime advocate for both students and educators during her tenure. As leader of Big Lake High School's Student-Targeted Instruction and Goals Program, better known as STING, she has ensured that students receive the additional instruction time and support they need. She has also worked to open the channels of communication between teachers and families through her Being Your Own Champion initiative. Angie, congratulations on this remarkable achievement. I thank you for your years of dedication to the Big Lake community, and I know Minnesota students are better off because of your support. Thank you.
