### **REP. TOM EMMER:**

Mr. Speaker, I rise today to celebrate five outstanding students in my district who have earned a Fulbright Scholarship this year. Markley of Sartell, Paul Krieger of Stillwater, Amy Grant of Big Lake, Natalie Hoidal of Forest Lake, and Jenna Maws of Kimball. We'll each have the once-in-a-lifetime opportunity to lecture, study, teach English, or do research in foreign countries that range from Mexico to Malaysia. Each of these Fulbright scholars will not only have the ability to promote healthy relations and diplomacy with foreign nations, but they will also bring home the knowledge and leadership experience they will gain while abroad. Many past participants of this program have gone on to achieve success in a variety of fields, with some even serving here in Congress. I have no doubt we will see great things from each of these exceptional individuals, and I congratulate and wish them luck on their exciting adventure.
